

Physician Signature Waiver Information FOR PARENTS

(719) 395-4111

(970) 726-6690

Parents & Guardians,

For the summer of 2018, Crooked Creek Ranch and Frontier Ranch will only require a physician signature for some of our high school campers. It is our hope that this will make sending your kid to camp easier!

Which high school students (those who have already completed 9th grade at time of camp trip) need a physician signature at Crooked Creek Ranch & Frontier Ranch?

- Any medical diagnoses pertaining to conditions of the following systems: blood (including sickle cell), neurological, cardiovascular/heart, respiratory (including asthma), or metabolic
- Those with a history of seizures
- Diabetics
- Any physical disabilities
- Those with severe allergies requiring an EpiPen or other medical intervention
- Anyone who is pregnant or gave birth in the last 12 weeks

For those using the online health form:

- Complete the entire online form (healthform.younglife.org) and press submit.
- If your child does not have any medical condition listed above, then you're done! Their camper health form will be sufficiently complete in the AWAITING PHYSICIAN SIGNATURE status.
- If your child has any medical condition listed above, they must obtain a physician signature on the Young Life form prior to attending camp. Once the form is faxed in, the health form will be complete.

For those using the paper health form:

- Complete the entire form.
- The physician signature section can be found on page 1 in the Health Care Recommendations box.
- If your child has any medical condition listed above, please take the Young Life Health & Consent form with you to the doctor's office. Attached physicals or other documentation do not suffice.

Please contact your local Young Life office with any questions regarding the health form process.
